Profile

A versatile and hardworking and analytical IT personnel with a "get the job done fast and efficiently" mentality who always preservers to achieve the best results. Passionate about how IT processes are carried out. I also have 3 years of work experience both as a freelancer and working in an organization.

Experience

IT ASSISTANT

Garkuwa Specialist Hospital, Kaduna | 2018

Worked as an assistant to the head of the IT department. Was giving the duty of inputting and updating data into the hospitals database and also troubleshoot certain problems that occurred on the hospitals systems.

FRONTEND DEVELOPER/GRAPHIC DESIGNER

EasyAce Synergy, Abuja | 2021 - Present

Working as a front-end developer and graphic designer. My duties here involve working on the frontend of websites (UI & Ux) and making banners, social media posters, logos, and animations for different brands and companies

PRODUCT DESIGN

Easyace Synergy, Abuja | 2022 - Present

Working as the head of the product designs team. In charge of overseeing the process of creating products to meet clients' expectations.
